Page Last Modified: 09/30/2021

**SUMMARY & BACKGROUND**

On March 11, 2021, the President signed into law the American Rescue Plan Act of 2021 (ARP). ARP makes available \$122.8 billion nationally in a third round of Elementary and Secondary School Emergency Relief (ESSER) funds. New York State has been allocated nearly \$9 billion under the ARP Act's Elementary and Secondary School Emergency Relief (ESSER) Fund. The ARP Act requires that a minimum of \$8.09 billion (90 percent) be allocated to LEAs, including charter schools and Special Act School Districts that are LEAs. Pursuant to the terms of the ARP Act, LEA allocations have been calculated using the relative shares of grants awarded under Title I, Part A of the ESEA for the most recent federal fiscal year (2020). Each eligible LEA's ARP-ESSER allocation may be found [HERE](#).

Under section 2001(d)(2) of ARP Act of 2021, each State Educational Agency (SEA) must make ARP-ESSER allocations to LEAs in an expedited and timely manner and, to the extent practicable, not later than 60 days after the SEA receives its ARP-ESSER funds. The first portion of ARP-ESSER Funds was awarded to states on March 24, 2021, and 60 days from that day is May 24, 2021. The U.S. Department of Education (USDE) has taken the position that an SEA makes allocations when it authorizes the LEA to begin to obligate funds in accordance with its needs. To enable New York State's LEAs to begin to obligate ARP-ESSER funds by USDE's May 24, 2021 deadline, the application for LEA 90% base ARP-ESSER allocations is being administered by NYSED as a two-part application process:

- ARP-ESSER Application – Part 1: The first step was for each LEA to submit signed assurances to NYSED by May 24, 2021. Upon receipt of signed LEA assurances, NYSED provided an email notice to the LEA of substantially approvable application status. Upon receipt of such notice, LEAs were able to begin obligating their allocation of 90% base ARP-ESSER funds.
- ARP-ESSER Application – Part 2: The second step will be the submission of a full application and budget by the LEA. NYSED will issue a Grant Award Notice (GAN) to the LEA after the LEA's application is fully reviewed and approved by NYSED. Part 2 will address several of the plan-related assurances an LEA must provide in Part 1 of the application process.

The ARP Act requires LEAs to reserve at least 20% of their 90% ARP-ESSER allocation to address learning loss through the implementation of evidence-based interventions, such as summer learning or summer enrichment, extended day, comprehensive afterschool programs, or extended school year programs, and ensure that such interventions respond to students' academic, social, and emotional needs and address the disproportionate impact of the coronavirus on economically disadvantaged students, children with disabilities, English learners, racial and ethnic minorities, migrant students, students experiencing homelessness, and children and youth in foster care. For your information, the minimum 20% reservation for each LEA may be found [HERE](#).

Project Period

March 13, 2020 to September 30, 2024 to obligate funds. Funds must be fully liquidated by October 31, 2024.

Project Number

The project number stem for the program is:

*ESSER: 5880 - 21 - XXXX*

This number should be used on the appropriate FS-10 budget form.

Submission Deadline

Completed applications are due by **August 31, 2021** (with extensions by request), and will be reviewed on a rolling basis.

**ARP-ESSER Application: Part 2 - ARP Act**

Introduction/Instructions - Summary & Background

---

Page Last Modified: 09/30/2021

Please note that applications must be submitted and fully approved by no later than March 23, 2022. LEAs that have not been issued a Grant Award Notice by that time will be at risk of having their ARP-ESSER allocation returned to the United States Department of Education.

APPLICATION PROCESS FOR LEA ALLOCATIONS OF ARP-ESSER SEA RESERVE FUNDS

The federal ARP statute requires SEAs to reserve:

- not less than 5 percent of the total amount of grant funds awarded to the State (\$449.4 million) to carry out activities to address the impact of lost instructional time by supporting the implementation of evidence-based interventions;
- not less than 1 percent (\$89.9 million) to carry out the implementation of evidence-based summer enrichment programs; and
- not less than 1 percent (\$89.9 million) to carry out the implementation of evidence-based comprehensive afterschool programs.

The 2021-22 enacted state budget directs that these required SEA set-asides be allocated as grants to specified school districts. Each eligible district's allocation of SEA reserve funds may be found [HERE](#). NYSED will inform school districts under separate cover when the application process for school district allocations of ARP-ESSER SEA set-aside funds has been published in the [SED Monitoring and Vendor Reporting System](#). This application is only for LEA 90% base ARP-ESSER allocations. LEAs should not apply for ARP ESSER SEA Reserve funds as part of this application.

Introduction/Instructions - Submission Instructions

---

Page Last Modified: 09/30/2021

**Submission Instructions**

GREEN TECH HIGH CHARTER SCHOOL

010100860907

Directions for Submitting the Application:

- The online application may only be submitted/certified by the chief school officer of the applicant LEA. The designated superintendent (public school LEAs), and the chief executive officer, board of trustees president, or school employee designated by the board of trustees (charter school LEAs) are the only administrators with the submit/certify rights necessary to successfully submit and certify a completed application for NYSED review.

- LEAs ARE NOT REQUIRED to send hard copies of general application materials to the Department.

- LEAs ARE REQUIRED to send signed originals and two hard copies of each FS-10 Budget Form to:

*Office of ESSA-Funded Programs - Rm 320 EB*

*RE: ARP-ESSER Application – Part 2*

*New York State Education Department*

*89 Washington Avenue*

*Albany, NY 12234.*

Deadline for Submitting the Applications:

- The ARP-ESSER Application – Part 2 is due by August 31, 2021.

**ARP-ESSER LEA Base 90% Allocation - Intent to Apply**

GREEN TECH HIGH CHARTER SCHOOL

010100860907

1. **Does the LEA intend to apply for American Rescue Plan (ARP) Act - Elementary and Secondary School Emergency Relief (ESSER) LEA Base 90% funding?**

Yes, the LEA intends to apply for Elementary and Secondary School Emergency Relief (ESSER) funding.

2. **Please provide contact information for the LEA Business Official and Board President. Please confirm that each individual has reviewed and approved of the application, including all plan descriptions and use of funds.**

	Name	Email Address	Date of Final Review/ Approval
LEA Business Official	Brian Rodriguez	brodriguez@greentechhigh.org	9/28/2021
LEA Board President	Pam Williams	gagaforgaga221@gmail.com	9/28/2021

**ARP-ESSER Allocation - Construction-Related Costs**

3. **Does the LEA intend to use American Rescue Plan (ARP) Act - Elementary and Secondary School Emergency Relief (ESSER) LEA Base 90% funding for construction-related expenditures?**

No, the LEA does not intend to use American Rescue Plan (ARP) Act - Elementary and Secondary School Emergency Relief (ESSER) funding for construction-related expenditures.

**ARP-ESSER LEA Base 90% Allocation - Plan Development and Dissemination**

GREEN TECH HIGH CHARTER SCHOOL

010100860907

Title VIII of Division B of the CARES Act directs the Department to carry out the Education Stabilization Fund, of which the ARP ESSER funds are a part. Section 2001 of the ARP Act provides for the Department to make grants to each SEA from the ARP ESSER funds. An SEA must allocate at least 90 percent of its ARP ESSER grant funds to its LEAs (including charter schools that are LEAs) in the State in the same proportion that the LEAs received under part A of title I of the ESEA in Fiscal Year 2020, as required by section 2001(d)(1) of the ARP Act; and section 2001(e) of the ARP Act prescribes certain mandatory and permissive uses of LEAs' funds. Under 20 U.S.C. 1221e-3, the Secretary has the authority to promulgate rules governing the programs administered by the Department. Under this requirement, each LEA that receives ARP ESSER funds must develop, submit to the SEA on a reasonable timeline determined by the SEA, and make publicly available on the LEA's website, a plan for the LEA's use of ARP ESSER funds. The plan - known as the LEA ARP ESSER Plan - and any revisions to the plan submitted consistent with procedures established by the SEA, must include a description of key activities which are required below.

NYSED will consider each LEA's application for its base 90% ARP-ESSER allocation as meeting the USDE LEA ARP-ESSER use of funds plan requirement, provided the required elements of the plan are fully addressed in the LEA's application, combined with a budget, and then publicly posted after being developed with public input.

An LEA must engage in meaningful consultation with stakeholders and give the public an opportunity to provide input in the development of its plan. Specifically, an LEA must engage in meaningful consultation with students; families; school and district administrators (including special education administrators); and teachers, principals, school leaders, other educators, school staff, and their unions. Additionally, an LEA must engage in meaningful consultation with each of the following, to the extent present in or served by the LEA: Tribes; civil rights organizations (including disability rights organizations); and stakeholders representing the interests of children with disabilities, English learners, children experiencing homelessness, children in foster care, migratory students, children who are incarcerated, and other underserved students.

Each LEA's ARP ESSER plan must be in an understandable and uniform format and, to the extent practicable, written in a language that parents can understand (or, if not practicable, orally translated). Upon request by a parent with a disability, LEA plans must be provided in an alternative format accessible to the parent.

**1. In the space provided below, please describe how the LEA meaningfully engaged a diverse and representative set of the applicable stakeholders in developing a plan to use these funds and implementing that plan.**

To develop a plan for our ARP funds, Green Tech engaged a diverse set of stakeholders that represent the students we will serve with these funds. We accomplished this by providing a survey seeking the input of our stakeholders, including families, staff and faculty, and school leadership, on the use of our funds. The survey included an opportunity for respondents to express their priorities for supporting students as they return to school after COVID-19. The survey was sent to our community in winter 2021-22, including parents and staff. We used the results of this survey to design our final spending plan for spending ARP funds. We are planning to use the same survey to solicit feedback from our community as we continue to implement the plan.

**ARP-ESSER Application: Part 2 - ARP Act**

LEA ARP-ESSER Plan - ARP-ESSER Plan Development & Program Information

---

Page Last Modified: 01/26/2022

2. **In the space provided below, please provide the URL for the website(s) where the LEA ARP-ESSER Plan is/will be publicly posted. For an LEA that does not have a website, the LEA may identify an online platform (e.g. social media group or post, file sharing service, email listserv) that allows plans to be directly communicated to students, parents or legal guardians, school staff, and other stakeholders. As appropriate, the LEA should provide details about how the plan will be made available to people who request it.**

<https://www.greentechhigh.org/reopeningplan>

Once our Final ARP FS 10 and budget narrative are approved through this process - we will be posting our entire ARP application at the link above, as well.

We have social workers, guidance counselors and essentially any staff member who will learn if a family is ever without Internet access in their homes, work, or on hand held devices. For instances such as those - paper copies of all of our plans will be immediately distributed to these families.

**ARP-ESSER LEA Base 90% Allocation - Program Information**

3. **In the space provided below, please describe the extent to which and how the funds will be used to implement prevention and mitigation strategies that are, to the greatest extent practicable, consistent with the most recent CDC guidance on reopening schools, in order to continuously and safely open and operate schools for in-person learning.**

We are allocating a portion of our ARP ESSER grant to purchased services (remodeling) work that allows us to provide spacing for all students that is consistent with CDC guidelines.

ARP-ESSER Application: Part 2 - ARP Act

LEA ARP-ESSER Plan - ARP-ESSER Plan Development & Program Information

Page Last Modified: 01/26/2022

**4. In the space provided below, please describe the data that the LEA will use to identify student needs and monitor student progress as a result of planned interventions and supports.**

We use the following assessments to ascertain student academic and social emotional needs and determine whether students need intervention:

1.

Assessment	Grades	Purpose
Due to students' inability to have intense instruction to increase their writing skills while receiving 1 ½ years of virtual schooling, all incoming 10th and 11th-grade students must take the RTI Writing course. This year-long course builds students' performance on the Regents CRQ writing questions to result in higher CRQ performance.	10th and 11th grades	Academic
LiveSchool, the school's behavior monitoring system, will be used to identify students with recurring behavioral infractions due to their inability to solve conflicts with peers independently. The middle school counselor conducts conflict-resolution sessions to teach students to resolve disputes without violent behavior. The success of these conflict-resolution sessions decreases behavioral violations of session attendees resulting in an increase of their academic performance.	6th, 7th, and 8th grades	Social-Emotional Learning

ARP-ESSER Application: Part 2 - ARP Act

LEA ARP-ESSER Plan - ARP-ESSER Plan Development & Program Information

---

Page Last Modified: 01/26/2022

When staff become aware of students who have been inadvertently affected by COVID and other life-changing events, that information is shared with school counselors. The counselors conduct individual counseling sessions with affected students and offer community resources for a well-rounded approach to student and family support. The success of the counselors' help is measured by the student's ability to perform academically and emotionally in his classes resulting in an increase of their academic performance.	6th, 7th, and 8th grades	Mental Health
--	--------------------------	---------------

In addition, Student Feedback forms (Google form) are distributed to students, parents, and teachers via Google Classroom, email, and paper copies. Responses are reviewed by the school counselor. The counselor also does classroom observations to assess students' social, emotional, and mental health.

In order to address these needs, we provide small group and individual counseling sessions.

ARP-ESSER Application: Part 2 - ARP Act

LEA ARP-ESSER Plan - ARP-ESSER Plan Development & Program Information

---

Page Last Modified: 01/26/2022

- 5. **In the space provided below, please describe how the LEA will use the funds it reserves under section 2001(e)(1) - the required reserve of 20% of funds - to address the academic impact of lost instructional time through the implementation of evidence-based interventions, such as summer learning or summer enrichment, extended day, comprehensive afterschool programs, or extended school year.**

The post-pandemic guidance counselor creates developmentally appropriate SEL lessons based on the American School Counselor Association (ASCA) National Model standards and CASEL's Framework. The counselor utilizes activities and resources from ASCA's website, TeachersPayTeachers, Panorama playbook, and Nearpod programs. Lessons are given to all middle school students during school-wide assemblies, classroom settings, and in small groups.

In 2022-23, we will begin hiring additional reading and math support teachers. Due to the generous length of the ARP grant period - schools like ours can wait and use data from the immediate post-pandemic year of 2021-22 in order to ascertain the greatest need. We anticipate this need will be in middle school reading and math - and will likely use ARP funds for at least three middle school Response to Intervention (Rtl) Math and Reading support.

We are also purchasing assessments for our students. Administering these assessments will help us identify students in need of additional academic support. These include I Ready, NWEA, as well as new assessments to potentially monitor the Social-emotional health. We would like to keep this particular assessment category somewhat fluid - as we do not want to buy too many assessments early on. We envision using the full length of this grant eligibility period to purchase diagnostic, SEL and other referenced assessments that measures reading, Math and SEL status. Please see below.

Due to students' inability to have intense instruction to increase their writing skills while receiving 1 ½ years of virtual schooling, all incoming 10th and 11th-grade students must take the RTI Writing course. This year-long course builds students' performance on the Regents CRQ writing questions to result in higher CRQ performance.

LiveSchool, the school's behavior monitoring system, will be used to identify students with recurring behavioral infractions due to their inability to solve conflicts with peers independently. The middle school counselor conducts conflict-resolution sessions to teach students to resolve disputes without violent behavior. The success of these conflict-resolution sessions decreases behavioral violations of session attendees resulting in an increase of their academic performance.

When staff become aware of students who have been inadvertently affected by COVID and other life-changing events, that information is shared with school counselors. The counselors conduct individual counseling sessions with affected students and offer community resources for a well-rounded approach to student and family support. The success of the counselors' help is measured by the student's ability to perform academically and emotionally in his classes resulting in an increase of their academic performance.

**ARP-ESSER Application: Part 2 - ARP Act**LEA ARP-ESSER Plan - ARP-ESSER Plan Development & Program Information

---

Page Last Modified: 01/26/2022

6. **In the space provided below, please describe how the LEA will spend its remaining ARP ESSER funds consistent with section 2001(e)(2) - the allowable uses of funds - of the ARP Act.**

We are also purchasing replacement Chromebooks for our students and charging stations. In addition, we are purchasing supplies for our science lab. Each Science Lab classroom - grade 6-12 will be equipped with approximately \$13,000 to \$15,000 of science related equipment generally shown below. Students in our school have little access to science or exploration outside of school - and this has been amplified during the pandemic with more remote science and less hands on science.

Science Lab Upgrades (includes lab supplies for fixed costs set per # rooms) - each \$13,333 room consists of: Phillips Restoration - \$4,880.31 - Fixed/Restored Gas & Water Components in 4 Science Labs

Flinn Scientific - \$3,367.78 - Laboratory Kits, Beakers, Cylinders, Eyewash, Aquarium Starter Kits and associated supplies, Safety Gloves, etc.

Amazon - \$324.00 - Chemical Extinguisher

Amazon - \$565.68 Generator with Humidity Control

Amazon - \$784.30 - Quincy Lab Gravity Convection Oven

Flinn Scientific - \$143.08 - Conductivity Meter

Flinn Scientific - \$49.40 - Conductivity Meter

School Specialty - \$299.52 - Meter Sticks, Rubberized Apron, Test Tube Racks

Vernier Software & Technology - \$2,925.39 Labquest Mini, Go Direct Spectrovis Plus, DO Probe

Amazon - \$329.95 - VanDe Graff Generator - \$329.95

The gym bleacher upgrades are designed to provide students and faculty with appropriate gathering space for assembly at a safe distance

Esports software support and gaming PCs.

The pandemic has allowed us time to regroup on what our students enjoy doing - all while learning to read better and perform Math functions. One significant way we will accomplish both is to let our all male population build and create gaming devices with their own games - this is possible when a school purchases an E Sports Lab - which allows students to create video games - fully incorporating reading and following detailed instructions and using math computations to build code.

**ARP-ESSER Application: Part 2 - ARP Act**LEA ARP-ESSER Plan - ARP-ESSER Plan Development & Program Information

---

Page Last Modified: 01/26/2022

7. **In the space provided below, please describe how the LEA will ensure that the interventions it implements, including but not limited to the interventions implemented under section 2001(e)(1) - the required reserve of 20% of funds - to address the academic impact of lost instructional time, will respond to the academic, social, emotional, and mental health needs of all students, and particularly those students disproportionately impacted by the COVID-19 pandemic, including students from low-income families, students of color, English learners, children with disabilities, students experiencing homelessness, children in foster care, and migratory students.**

Our staff members are committed to supporting all students, including our students disproportionately impacted by the COVID-19 pandemic, with the transition back to in-person learning. We will ensure that the interventions we implement, including but not limited to the interventions implemented under section 2001(e)(1) - the required reserve of 20% of funds - to address the academic impact of lost instructional time, will respond to the academic, social, emotional, and mental health needs of all students, and particularly those students disproportionately impacted by the COVID19 pandemic, including students from low-income families, students of color, English learners, children with disabilities, students experiencing homelessness, children in foster care, and migratory students.

Please see a summary of the needs we are addressing.

**Academic needs for at-risk students:**

- Middle school students receive daily RTI intervention in both English and Math
- Any incoming 9th graders that score two grade levels (or more) below the 9th grade level receives both 9th grade and remedial English and Math instruction
- All 10th and 11th grade students receive daily RTI intervention in writing skills for Regents' CRQ (constructed response questions)

**Social-emotional needs for at-risk students:**

- Students that have been identified as struggling with conflict-resolution skills (as per LiveSchool) receive small group counseling sessions to learn those skills

**Mental health needs for at-risk students:**

- Students who have experienced death due to COVID, or other reasons, of family members, receive individual counseling with the school's counseling department and are referred to outside resources the entire family can take advantage of.

**ARP-ESSER Application: Part 2 - ARP Act**LEA ARP-ESSER Plan - ARP-ESSER Return to In-Person Instruction

---

Page Last Modified: 01/20/2022

**ARP-ESSER Return to In-Person Instruction**

GREEN TECH HIGH CHARTER SCHOOL

010100860907

Section 2001(i)(1) of the ARP Act requires each LEA that receives ARP ESSER funds to develop and make publicly available on the LEA's website, not later than 30 days after receiving ARP ESSER funds, a plan for the safe return to in-person instruction and continuity of services for all schools, including those that have already returned to in-person instruction. Section 2001(i)(2) of the ARP Act further requires that the LEA seek public comment on the plan and take those comments into account in the development of the plan. Finally, section 2001(i)(3) of the ARP Act states that an LEA that developed a plan for the safe return to in-person instruction and continuity of services prior to the date of enactment of the ARP Act will be deemed to have met the requirement to develop a plan under section 2001(i)(1) as long as the plan meets the statutory requirements (i.e., is publicly available on the LEA's website and was developed after the LEA sought and took into account public comment).

The LEA's plan must include how it will maintain the health and safety of students, educators, and other school and LEA staff and a description of any policies it has adopted regarding each of the CDC's safety recommendations, including universal and correct wearing of masks; modifying facilities to allow for physical distancing (e.g., use of cohorts/podding); handwashing and respiratory etiquette; cleaning and maintaining healthy facilities, including improving ventilation; contact tracing in combination with isolation and quarantine in collaboration with the State, local, territorial, or the health departments of Native American Nations; diagnostic and screening testing; efforts to provide vaccinations to school communities; appropriate accommodations for children with disabilities with respect to health and safety policies; and coordination with State and local health officials.

The plan must describe how the LEA will ensure continuity of services, including but not limited to services to address students' academic needs and the social, emotional, mental health and other needs of students and staff, which may include student health and food services.

LEA plans must be in an understandable and uniform format and, to the extent practicable, written in a language that parents can understand (or, if not practicable, orally translated). Upon request by a parent with a disability, LEA plans must be provided in an alternative format accessible to the parent.

**NYSED will permit previously developed LEA re-opening plans to satisfy the ARP statutory requirement for the safe return to in-person instruction and continuity of services. LEAs must make any necessary updates to existing plans to conform with the USDE requirements within 30 days of receipt of ARP-ESSER funds and to review (and revise if appropriate) plans every six months thereafter (until September 30, 2023).**

- 1. In the space provided below, please provide the URL for the website(s) where the district's most current re-opening/return to in-person learning plan is/will be located. For an LEA that does not have a website, the LEA may identify an online platform (e.g. social media group or post, file sharing service, email listserv) that allows plans to be directly communicated to students, parents or legal guardians, school staff, and other stakeholders. As appropriate, the LEA should provide details about how the plan will be made available to people who request it.**

<https://www.greentechhigh.org/reopeningplan>

Those families that do not have internet access at home, work or on hand held devices will be provided a paper copy of our plan in the main office or through the mail.

**ARP-ESSER Application: Part 2 - ARP Act**LEA ARP-ESSER Plan - ARP-ESSER Return to In-Person Instruction

---

Page Last Modified: 01/20/2022

2. **An LEA must periodically, but no less frequently than every six months (through September 30, 2023), review and, as appropriate, revise its plan. Consistent with section 2001(i)(2) of the ARP Act, which requires an LEA to seek public comment on the development of its plan, an LEA must seek public input and take such input into account in determining whether to revise its plan and, if it determines revisions are necessary, on the revisions it makes to its plan, i.e., the LEA must seek public input on whether to revise its plan and on any revisions to its plan no less frequently than every six months (taking into consideration the timing of significant changes to CDC guidance on reopening schools). If the LEA revises its plan, the revised plan must address each of the aspects of safety currently recommended by the CDC or, if the CDC has updated its safety recommendations at the time the LEA is revising its plan, each of the updated safety recommendations.**

**In the space provided below, please describe how the LEA will review and regularly update (at least every six months through September 30, 2023) it's plan for in-person instruction, including a description of how public comment will be collected.**

We will review our plan for in-person instruction at least every 6 months, using data sources including health and safety data, as well as academic, attendance, and social-emotional data. We will consider whether updates are needed to address health and safety, scheduling, and all other parts of the plan. When considering a modification to the plan, we will provide opportunities for the public to comment on our proposed modifications via an announcement on our website as well as through our email newsletter.

LEA ARP-ESSER Plan - ARP-ESSER Allocation - Budget

---

Page Last Modified: 01/28/2022

**ARP-ESSER LEA Base 90% Allocation - Budget**

PLEASE NOTE - the FS-10 and Budget Narrative are used to provide NYSED with a specific itemization of proposed project expenditures and to provide NYSED and the Office of the State Comptroller with the necessary documentation upon which payments can be based. FS-10s with missing quantities or unit costs, or with terms such "*TBD*" or "*Varies*" cannot be accepted on the FS-10 or Budget Narrative forms.

**Please note: LEAs that have been allocated funds from the mandated SEA-Level Reserves in the 2021-22 enacted state budget will apply for those funds via a separate application process. NYSED will inform school districts under separate cover when the application process for school district allocations of ARP-ESSER SEA set-aside funds has been published in the SED Monitoring and Vendor Reporting System. The sections below are only for LEA 90% base ARP-ESSER allocations. LEAs should not apply for ARP ESSER SEA Reserve funds as part of this application.**

- Please upload a completed and signed copy of the *FS-10 Budget* for the ARP-ESSER LEA Base 90% Funds.**
